Policy: The Board wishes to encourage HFMA certification and to recognize those HFMA members that have achieved certification through the offering of registration discounts to certain HFMA-sponsored events. In addition, the Board recognizes that certain members of the New Jersey HFMA Chapter have achieved certification status in other professional organizations which are complimentary to the HFMA and that, in specific defined circumstances, the registration discount extended to HFMA-certified members should be extended to those certified by other organizations. The actual discount amount will be defined in the Chapter's member Recognition Policy.
