

hfma[™] metropolitan philadelphia chapter
healthcare financial management association

In partnership with the NJ chapter of HFMA, the Philadelphia Metropolitan chapter is pleased to announce the Care to Carry On 5k Run/Walk Community Outreach Event.

Join us for this family-friendly event on Sunday April 22, 2018 at the Philadelphia Zoo for a 5k run and 1 mile walk benefiting Camp Erin Philadelphia.

Camp Erin Philadelphia is a weekend overnight camp for children and teens in the Greater Philadelphia Region, who have experienced the death of a significant person in their life. This camp combines traditional, fun, high-energy camp activities with the grief education and support that kids and teens need to carry on after a loss, in a healthy way.

Attendees have the option to run, walk, or simply come to watch. Complimentary pre & post warm up/stretch, face painting, refreshments, DJ and more! Medals to top-finishers and age group winners.

Register now and join 'Team HFMA':

<https://runsignup.com/Race/PA/Philadelphia/CaretoCarryon5K>

During registration to attend the event, you will have the opportunity make a donation to the 'Team HFMA' fundraising team. Help us reach our goal of raising \$1,000 which will send two children to attend Camp Erin Philadelphia

For those unable to attend, but still want to help contribute to the cause, you can make a donation to 'Team HFMA':

<https://runsignup.com/teamhfma>

We look forward to seeing you at the event and we thank you for your support!
